

# MARSHALINO JANKOWSKI

Junior Web Developer

## ABOUT ME

Passionate Web Developer pursuing CCP and FullStack Web Development course. Proficient in HTML, CSS, Bootstrap, JavaScript, MySQL, Node.js, Vue.js, React, WordPress, and SEO. Adept at designing and implementing systems, I excel as both a team player and lone wolf. Demonstrating active listening, problem-solving, and conflict management, I bring a goal-driven work ethic and openness to change.

## WORK EXPERIENCE

2022-2023

CloudZA

Junior Web Developer

I nurtured positive relationships with clients and technology partners, guiding them in leveraging AWS and enhancing digital media strategy. I managed the development of advanced solutions, led a global ad tech team, and stayed updated on platform knowledge. Additionally, I organized a comprehensive database for client information, tech resources, and learning materials.

2022-2022

LC Studio

Web Developer Intern

During my web development internship at LC Studio, I immersed myself in the field, collaborating closely with seasoned developers to assist in coding, testing, and debugging tasks. Actively contributing to real projects, I honed my skills in either front-end or back-end development, gaining valuable insights into coding languages and frameworks within the professional realm of web development.

2021-2022

CX-International Customer Service Rep

In the role of Frontline Customer Advocate, I stood as the primary advocate for customer satisfaction, embodying the company's dedication to excellent customer service. Managing multichannel communication, I handled inbound and outbound calls, responded to emails, engaged in LiveChat sessions, and adeptly managed social media interactions. My goal was to provide comprehensive customer support across various channels, ensuring a seamless and positive experience for customers.
